Products and Services of Benepace Solviro Multicorps

PT Benepace Solviro Multicorps offers a wide range of high-quality Indonesian products, focusing on spices, furniture, and processed foods. Our commitment to quality, innovation, and sustainable sourcing sets us apart in the global market.

1. Premium Spices Export

- Supplying cloves, black pepper, nutmeg, cinnamon, and candlenut sourced directly from trusted Indonesian farmers. Products meet international quality standards and are available in bulk or customized packaging.

2. Processed Food Products

- Offering authentic Indonesian sambal varieties such as Sambal Andaliman Ayam Suwir, Sambal Cumi Extra Pedas, and Sambal Matah, made from premium ingredients without artificial preservatives or MSG.

3. Custom Furniture Export

- Providing high-quality Indonesian-made furniture under our brand Furnicute, designed for both functionality and aesthetic appeal, catering to international buyers.

Market Analysis

2021

Initiated international trade by exporting sambal products to Hong Kong and Malaysia, establishing the first gateway to global markets.

2022

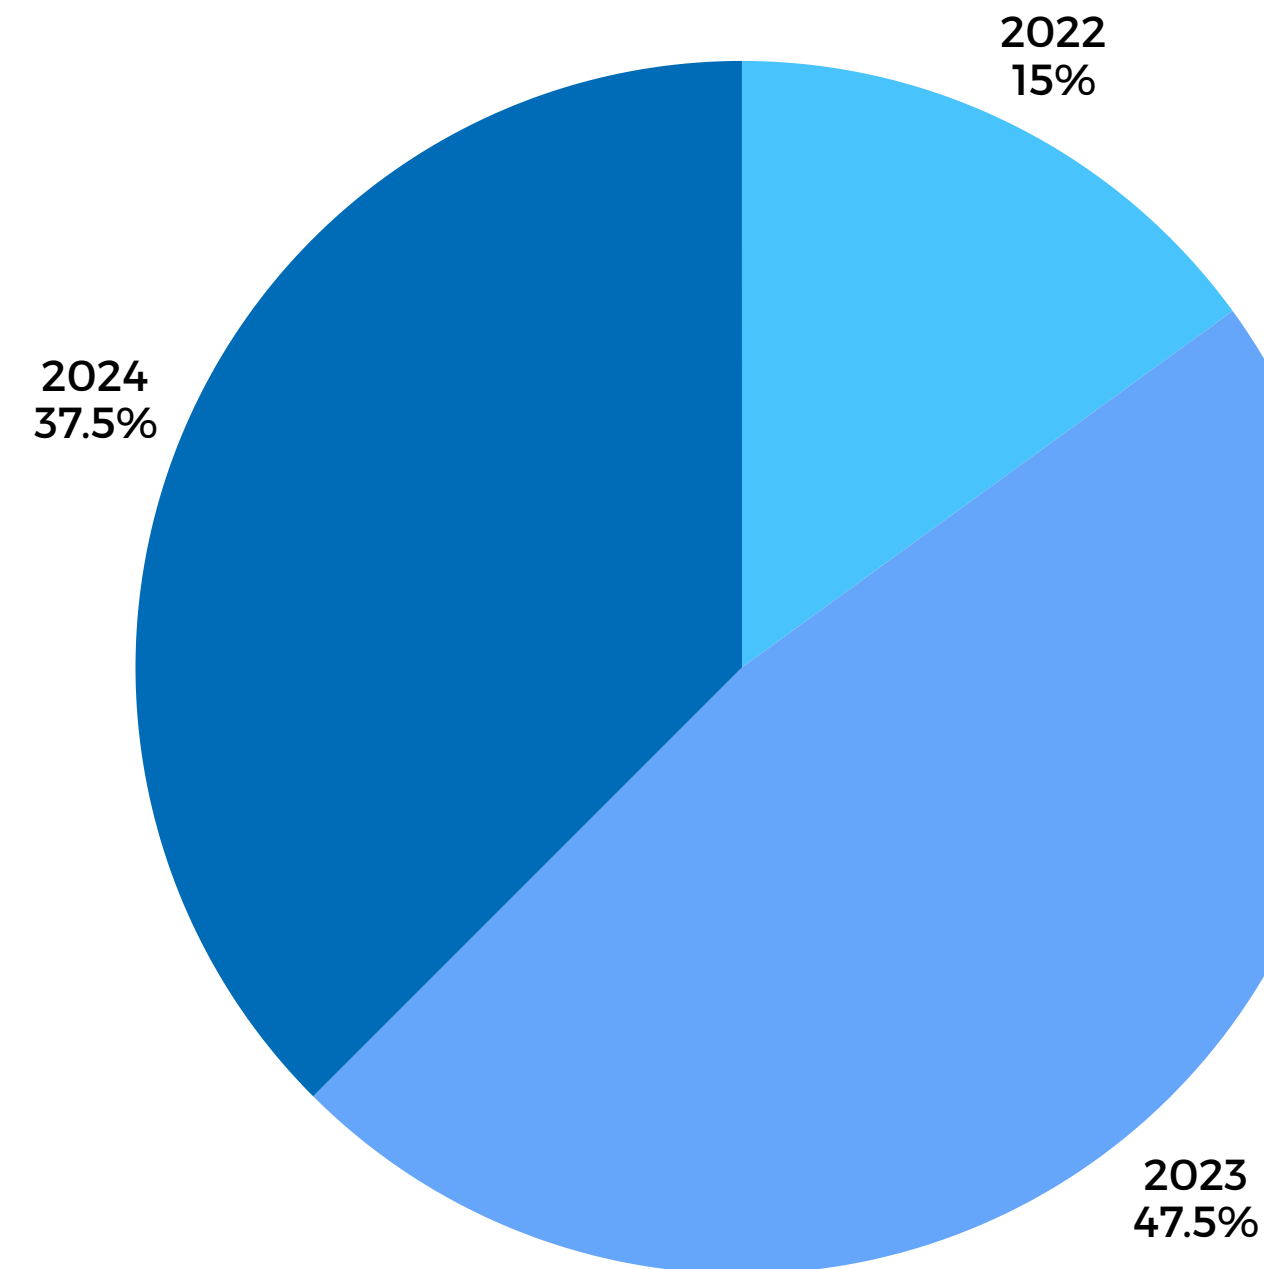

Achieved a major milestone by exporting over 100 tons of premium spices including pepper, nutmeg, and cinnamon to more than 10 countries across Europe, America, and Asia.

2023

Expanded product portfolio to include premium processed foods such as Sambal Andaliman Ayam Suwir and Sambal Cumi Extra Pedas, targeting high-end market segments globally.

2024

Focused on penetrating developed markets such as the United States, Japan, Germany, and Australia, while strengthening long-term B2B partnerships with international distributors.
